

# The Summer Learning Lab

Teaching Lifelong Learners

## Reading, Writing, & Math Camps

Our summer camps offer instruction in the areas of reading, writing, spelling & math problem solving for **grades 4-6** and test prep for **grades 6-8**. Sessions are taught by certified teachers and specialists. Reading camps specialize in the **Orton-Gillingham** method, which provides systematic, explicit and multisensory reading instruction to students with reading disorders and **Dyslexia**.
